QUESTION

Create an HTML web page as close as possible to the image below. Replace all the details with your own information. Therefore, you can use your own favorite **upcoming** movie.

To get you started, here is a link that will prove to be very useful:
https://www.w3schools.com/html/

NB: You will find the screenshot above in the Additional Files link. You may use any upcoming movie in your own page!

Description	Marks
Web Page HTML Markup	20
Proper us of HTML – correct tags	20
Page renders correctly	10
Upcoming movie	2
Embedded video and link	8
Total	**60**
